

Professional Software

BaZi • Date Select • Feng Shui

!! Multifaceted - Reliable - Interactive !!

!! Much more than just data !!

- **Alternatives evaluated and compared easily.**
If time of birth or direction of property not unmistakable: check variants for best fit in just minutes.
- **Move furniture around interactively and immediately see the theoretical results.**
Import a floor plan, place furniture to scale, see what it means for the BaZi of the users, play till satisfied.
- **Simultaneous display on screen of any results you'd like to compare.**
Horoscopes of two persons, horoscope of owner and Feng Shui of property, interior and/or exterior, etc.
- **Have a lot of insight and also fun for yourself: work gets really playful using this tool.**
Enjoy to calculate and compare more data than you would ever think of doing by hand.
- **Provide interactive consultations to your clients via Zoom.**
Using the software you can develop and explain solutions to your clients interactively even from afar.
Talk to them whilst changing layout of the property, moving furniture around, selecting an auspicious date for a wedding or opening a business etc. In the end theory and aesthetics should match and all be happy.

- Prepare off site and adjust on site (if feasible).
Use maps & Internet for input to the software to get a first impression real fast, then maybe adjust on site.
- Dozens of results on screen or in a Word document in just a few minutes.
Just provide the data, press a button, and you'll have many important results immediately.
- Proven reliability by clients in various countries since many years.
Reliable results, no matter how simple or complicated the situation or question.
- Multitude of methods and options for Chinese Astrology (BaZi) and Feng Shui.
Usage can easily be adapted to the teachings of many schools as well as your personal liking.
- Developer: Qualified mathematician and Feng Shui Consultant since over 20 years.
Trained by various Grandmasters, enjoying the software for efficient own work with clients.
- System requirements: MS Office (from 2013 onward) on MS Windows (from 8 onward).
Availability for Mac only via Parallels or equivalent.
- Content on my YouTube Channel coming up someday soon.
- Zoom presentation gladly offered upon arrangement.
Get convinced by what you see. Zoom can transmit the screen, so you'll see the answer to your questions.
You may provide your own data for the presentation.
